Re: Records Request

Dear Mr. Spillar:

Please be advised that your request for records from the Wichita Police Department (WPD) made pursuant to the Kansas Open Records Act (KORA) has been forwarded to me for response. You have requested:

- “1. Policies and guidelines related to when law enforcement vehicles such a cars and motorcycles May be on public sidewalks to enforce laws and city ordinances...”
2. Policies and guidelines related to when law enforcement vehicles such as cars and motorcycles may hide behind natural barriers...in order to enforce laws and city ordinances...”

After diligent search, staff was unable to locate any records of the WPD associated with your request so no records can be provided to you. For you information, most WPD policies can be accessed online at <https://www.wichita.gov/WPD/Pages/Policy.aspx>.

At this time your KORA request is considered as complete and closed by the City of Wichita.

Very truly yours,

Officer Charley Davidson
